Our custom covers are made of strong, preshrunk, two-ply army duck canvas that has been specially finished to resist water and mildew. Cotton canvas is naturally very soft on the finish of your snowmobile and conforms to your sled like a pair of jeans. This

Yes, Yamaha has a warranty on their engine. One year standard (from the date of purchase), or 3 or 5 years if you pay for it. Whether or not Yamaha will cover it seems to have a lot to do with the dealer you go though, based on my reading from TY. Since you have an 07, I'm guessing your 1 year warranty is up.
