An Account Of Egypt Herodotus

An Account of Egypt is Herodotus' second book in his histories, titled 'Euterpe'. When the work is not acting as a source of descriptive information, there are actually a few comical moments as it regards the Egyptian brazenness and crude sense of honest humor.

Some brief overview of this book. When Cyrus had brought his life to an end, Cambyses received the royal power in succession, being the son of Cyrus and of Cassandane the daughter of Pharnaspes, for whose death, which came about before his own, Cyrus had made great mourning himself and also had proclaimed to all those over whom he bore rule that they should make mourning for her: Cambyses, I say, being the son of this woman and of

Herodotus Herodotus is considered by many to be the first historian. Born in Halicarnassus around 490 BC, he visited Egypt during the Persian occupation (the twenty-seventh dynasty). The second volume of his "Histories" describes Egypt's geography and people and recounts a few semi-mythical stories about some pharaohs.

Herodotus on Nitocris . By far, the most colorful account of Nitocris comes from the Greek historian Herodotus. Like many of the other fanciful stories found in Herodotus' work, this one too ought to be taken with a pinch of salt, despite the historian's claim that this tale was related to him by Egyptian priests .
