If your friend has not listened to Pet Sounds, and you would like to introduce them to it, then go with the stereo mix. It sounds fantastic and it's more accessible to modern audiences. It's probably way easier to find too, I bought Pet Sounds on vinyl and unknowingly bought the stereo mix just because it was the most common.

All of the newer stereo mixes on these remastered albums (The Beach Boys Today!, Summer Days (And Summer Nights!!), The Beach Boys' Party, Pet Sounds and Smiley Smile) were done by Mark Linett on behalf of the Beach Boys. Pet Sounds is famous for its use of multiple layers of unorthodox instrumentation as well as other cutting edge audio techniques for its time. It's considered the best Beach Boys album, and one of the best of the 1960s.
