Developing Cultural Literacy Through The

The Roots of Cultural Literacy. E.D. Hirsch Jr. coined the term "cultural literacy" in 1987. He used the term to imply that just as literate people are fluent in reading and writing, culturally literate people should be fluent in their cultural heritages, histories, literature, art, politics and the like. Perhaps his most controversial work was a list of 5,000 facts pertaining to American heritage that Hirsch and his colleagues believed every American should know.

What is Cultural Literacy? | abclifeliteracy.ca

Cultural literacy is a term coined by American educator and literary critic E. D. Hirsch, referring to the ability to understand and participate fluently in a given culture. Cultural literacy is an analogy to literacy proper. A literate reader knows the object-language's alphabet, grammar, and a sufficient set of vocabulary; a culturally literate person knows a given culture's signs and symbols, including its language, particular dialectic, stories, entertainment, idioms, idiosyncrasies, and so

Cultural literacy - Wikipedia

The impact of cultural differences on cognitive processes is hard to detect, especially when scientific results and models are adopted from another culture. This phenomenon can be observed when models of reading and spelling development in English-speaking children are used by German-speaking investigators without empirical examination.
