Maths in the DP - International Baccalaureate®

The IB Mathematics curriculum change is significant. The 4 current subjects (Studies, SL, HL & Further) are being replaced by two “routes” that can be taken at either a Standard Level (SL) or Higher Level (HL). The two routes are “Analysis & Approaches (AA)” and “Applications & Interpretations (AI)”.

Mathematics HL and further mathematics HL formula booklet

The IB recommends 240 teaching hours for HL subjects and 150 hours for SL. Subjects at HL are studied in greater depth and breadth than at SL. At both levels many skills are developed, especially those of critical thinking and analysis. At the end of the course, students' abilities are measured by means of external assessment.

“IB Academy provided all the help we could have hoped for and more. I would highly recommend these IB revision courses; they are a bit pricy, but it is definitely worth the money. They are reliable courses, and the study guides they provided were extremely useful for my children.” Karin Venetis-Vrieling, International School Hilversum
