Beating the Invader is a revealing and disturbing exploration of the darker history of Nazis, spies and 'Fifth Columnist' saboteurs in Britain and the extensive top secret counter-measures taken before and during the real threat of invasion in 1940.

Beating the Nazi Invader - books.mailshop.co.uk

Misses the mark! This book is fine, if you are 12. The whole concept and all the plots and subplots are very juvenile. The action scenes are iffy at best and far to many convenient things happen in just the nick of time.
