The Reaper miniature is a pretty easy miniature to paint, it requires very little colors and allows for easy use of the Nuln Oil wash to get a really dark effect. Start by painting the majority of the miniature black. It wouldn't hurt anything if the entire miniature was painted matte black. Next paint the natural steel color onto the scythe.

Although conventional miniature painting uses non-toxic acrylic model paints, and there are good reasons to lick your brush (i.e., to keep a fine bristle tip, for example), oil paints can be harmful if consumed. Note that almost all modern oil paints are generally non-toxic, if you use them as intended (e.g., not eaten, inhaled, snorted...).
