About Paul Joannides Paul Joannides had aspirations to write chemistry books before he turned to the complex world of sex. And thankfully for every fan, reader, and student of his magnum opus, The Guide To Getting It On, he has devoted the majority of his intellectual (and comedic) energy to providing a fresh, nuanced perspective on sexuality. Some call it the "bible of sex" and others have called it the best-assigned reading of the entirety of their college coursework.
