Robert Walser's stories are unlike anything you'll ever read, and some readers might quarrel with calling them "stories" in the first place. Of course, "Selected Feuilletons" (or "Prose Poems" or "Sketches" or "Miniatures"), while perhaps more accurate, don't have the marketing zing of "Selected Stories"--and no alternative title captures the modernist quirkiness and range of Walser's

Walser is many things: a Paul Klee in words, maker of droll, whimsical, tender, and heartbreaking verbal artifacts; an inspiration to such very different writers as Kafka and W.G. Sebald; an amalgam, as Susan Sontag suggests in her preface to this volume, of Stevie Smith and Samuel Beckett. This collection gathers forty-two of Walser's stories.

'Selected Stories' collects forty-two short fictions written by the Swiss writer between 1907 and 1929. Walser wrote longer works, too, but the bulk of his writing was in shorter forms and most critics seem to agree that this is where he shines. He has been compared to Kafka and Beckett, but
