### Brians mini mill conversion

X1 Mill Spares Please Note: The X1 Mill should not to be confused with the Super X1 or the Super X1L (the machine we sell). The X1 Mill has a fixed column, shorter table (240mm) and a short Y-axis travel of 100mm. Although we don't stock a complete inventory of spare parts, we do normally carry the parts that you are likely to break or wear out.
