The Executive And Senior Managers

A senior manager has responsibilities and authority that are broader in scope than a front-line manager, and a door is typically open for senior managers to move into a director- or general manager-level role. The flip side is that the position can involve a good many challenges and it almost always brings with it a great deal of responsibility.

The Role and Responsibilities of Senior Managers

Continue Reading. Senior Management in a normal organization is the tier of influential major department directors and the first level of General Managers and and Vice-Presidents. Mere "managers" (except in public utilities) and supervisors are excluded. Executive Management is the top person in every silo or pyramid in the organization, including the Executive Director and/or CEO.

What is the difference between Senior Management and ...

Senior management, executive management, upper management, or a management team is generally a team of individuals at the highest level of management of an organization who have the day-to-day tasks of managing that organization—sometimes a company or a corporation.

Senior management - Wikipedia
