Have you found a toyota tazz. I have a '94 Conquest with only 220,000km on the clock. It is a great car and sad to have to sell it. So I am looking for a good home. It is a 160i Sport. It is also a great project car. The body is good, with 2 tiny rust marks, and the paint is a little faded. But everything else is in awesome condition.
