Walk the Lines: The London Underground, Overground. by. Mark Mason. 3.96 · Rating details · 534 ratings · 69 reviews. As a lifelong fan of London, Mark Mason embarks on a mission to 'conquer' the capital once and for all. The only way to truly discover a city, they say, is on foot. Taking this to extremes, Mark sets out to walk the entire length of the London Underground - overground - passing every station on the way.

Walk the Lines: The London Underground, Overground by Mark ...

Walk the Lines: The London Underground by Mark Mason December 7, 2016 “A man once said “A bad day in London is still better than a good day anywhere else,” and I might have to agree. I guess it will come as no surprise that since I moved to London books that revolve around London have been cropping up on my radar a little more.

Walk the Lines: The London Underground by Mark Mason ...

Then one day, staring at the Underground map, the answer hit me: walk the route of every Tube line, at street level. It was a joy to do: 403 miles of observation, eavesdropping and musing. There was the man in Walthamstow on his mobile: ‘It'll be an hour and a half before I'm in Romford, Matilda - if you're going to have a bath, have a bath now'.

Walk The Lines | The entire Tube system overground | The ...

Mark Mason's book can happily be described as pedestrian. In a project that would have made the men who hewed out its tunnels wonder why they bothered, he has plodded over the route of each of the...

musings and eavesdropped conversations, Mark learns how to get the best gossip in the City, where to find a pint at 7am, and why the Bank of England won't let you join the M11 northbound at Junction 5.

Walk the Lines: The London Underground, Overground: Amazon ...

The shiny new S7 stock serve the passengers travelling these lines. They started to be introduced in 2010 and it took until 2017 until the last old models were off the tracks. They're the newest trains on the London Underground network with air-con, seats along both sides and no dividers between carriages so you can walk the length of it.

When all the London Underground lines are getting new ...

Between June and August 2008 I walked the entire Tube network, station to station and line by line, and this is the story of that walk. In summer 2008, I spent three months walking the entire London Underground network, overground. This is the story of that walk, along with over 9750 photographs, route maps, points of interest and tips for those looking for a different way to explore London on foot.

Tubewalker: The Tube, on Foot

"Mark Mason's Walk the Lines follows his mission to walk overground the routes taken by the London Underground. In doing so he uncovers some surprising insights into the capital and its inhabitants" (Choice) "I was charmed by this book's profusion of insightful anecdotes and fascinating trivia" (Walk)

A music teacher has taken on a unique challenge of walking the entire London Underground route to raise funds to support the people of Beirut. Like many around the world Harry Sargeant, 24, was...

Music teacher to walk entire London Underground route for ...

The London Underground is one of the most distinctive elements of the city, but it does result in a disjointed perception of the metropolis—I don't feel like I really got to know how the various areas of London fit together until I moved there and started to walk or get the bus more. Walk the Lines: The London Underground, Overground is the ultimate exercise in getting to know London; author Mark Mason walked the route of every underground line from beginning to end, then wrote a book ...

Book Review: Walk the Lines- The London Underground ...

Walking the Northern Line Underground. The London skyline view from Archway. We had a swift pit stop at Liz's house in Archway, the visuals of the area being largely defined by the ugly Archway Tower - a 1960's tower built directly over the station, that seems out of place with the relatively low rise residential Victorian built houses in the areas around it.
